

## THO WHOM IT MAY CONCERN

12.03.2024,

**Confirmation of compliance with the REACH regulation (EC) No. 1907/2006**

Dear Customer,

**Introduction**

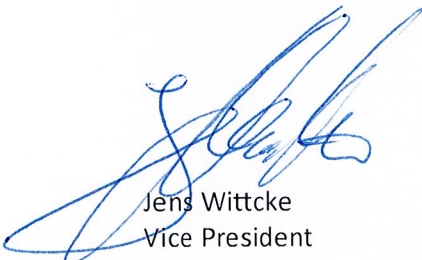

WYLER AG products are exempt from the registration requirement. Therefore, our products do not have to be pre-registered and do not have a pre-registration number that would have to be communicated to you.

**Products**

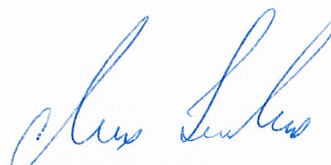

Control and measuring devices including industrial monitoring, all accessories and packaging material.

We hereby confirm that WYLER AG has received confirmation of REACH conformity from all our suppliers in accordance with the current **SVHC list** dated **23 January 2024** and complies with the regulation.

WYLER AG

Jens Wittcke  
Vice President  
Operations

Maxim Sokolov  
Vice President  
Product Management

Raphael Buehrer
